

# LIVRO DAS VOGAIS

**CRFono**  
CENTRO DE REFERÊNCIA EM FONOAUDIOLÓGIA

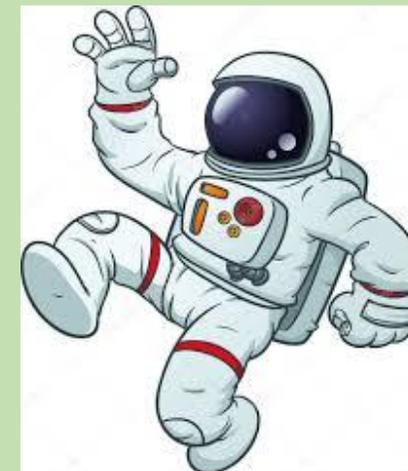

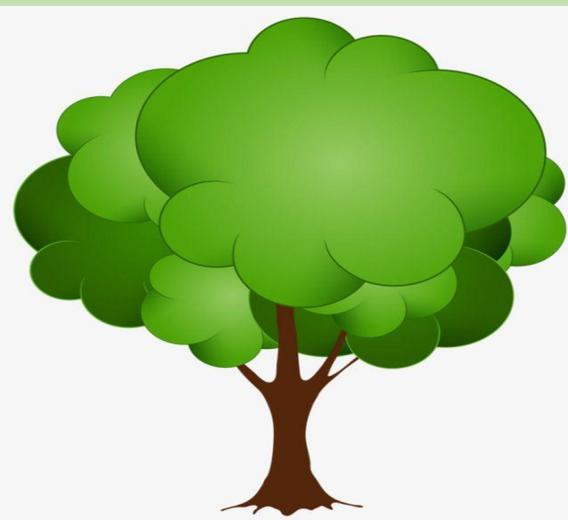

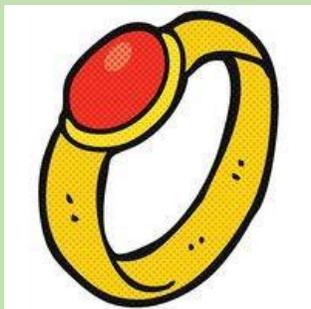

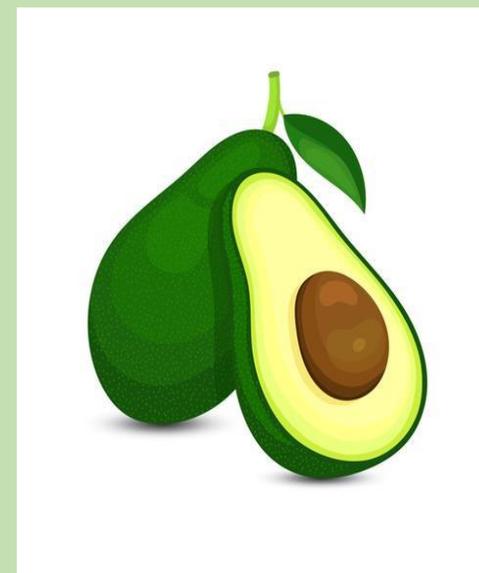

- As vogais são fonemas vozeados, muito importantes na formação das sílabas na língua Portuguesa.
- As cinco vogais são representadas pelas letra A, E, I, O, U, na forma maiúscula e a, e, i, o, u, na forma minúscula.
- As vogais estão apresentadas aqui, em posição inicial na palavra, o que auxiliará a criança a perceber e associar o fonema (som) ao grafema (letra).
